## स्वाधिनता पर्व

'स्वतंत्रता हमारा जन्मसिद्ध अधिकार है' - यह कथन कितना अच्छा, कितना उन्मादक और आनंददायक है! स्वतंत्रता प्रत्येक प्राणी को प्रिय होती है चाहे वह मनुष्य हो या कोई पशु-पक्षी, जीव जंतु।

वस्तुतः स्वाधिनता में ही सुख है। तभी तो तुलसीदासजी ने लिखा है- 'पराधीन सपने हैं सुख नाही।' इसी तरह महर्षि दयानंद का कथन है कि विदेशी राज्य चाहे कितना ही अच्छा हो स्वदेश के लिए हानिकारक होता है।

१५ अगस्त भारत के गौरव व सौभाग्य का पर्व है। यह पर्व हम सभी के हृदयों में नवीन स्फूर्ति, नई आशा, उत्साह तथा देशभक्ति का संचार करता है। भारत को उन्नत बनाने की प्रेरणा देता है। स्वतंत्रता दिवस हमें इस बात की याद दिलाता है कि अगणित कुर्बानियाँ देकर जो आजादी हमने प्राप्त की है, उसकी रक्षा हमें हर कीमत पर करनी है। चाहे हमें अपनी प्राणों की आहुति क्यों न देनी पड़े। अतः हम पुरी उमंग और उत्साह के साथ इस राष्ट्रिय पर्व को मनाकर हम राष्ट्र की स्वतंत्रता तथा सार्वभौमिकता की रक्षा करने का, राष्ट्र को उन्नत बनाने का प्रण लेते हैं।

मैं इंडो पब्लिक स्कूल को बधाई देना चाहता हूँ कि स्कूल के सभी उपक्रम प्रशंसनीय, स्तुत्य, सामाजिक तथा राष्ट्रहित में होते हैं। कोविड-१९ के दौर में भी इंडो पब्लिक स्कूल ने हमारे कोरोना योद्धाओं को राखियाँ भेजकर उनका आत्मबल बढ़ाया है इस उपक्रम की सराहना करता हूँ। इंडो पब्लिक स्कूल की संचालिका डॉ. आयुश्री देशमुख मैडम, प्रधानाचार्या विजया बागडदेव मैडम और उप-प्रधानाचार्य योगेश ठाकरे सर को धन्यवाद देना चाहता हूँ कि मुझे अपने विचार प्रस्तुत करने का अवसर दिया।

शुभकामनाओं के साथ

### VANDE MATARAM!!

An Ode to Our Motherland expressing praise and love for our country. Dear Children, We live in an inestimable country INDIA the greatest truth I have seen and learnt. We, you and I received this priceless gift of freedom on this day the 15<sup>th</sup> of August 1947 which we celebrate as Independence Day. Isn't it a magnificent gift given to us on a golden platter by our freedom fighters who fought with great courage, fervor, numerous hardships and loss of lives. Their strength was their love for the country, their endurance was their intense thought for freedom and we should be immensely grateful to them. One viewpoint I want to put before you to ponder is -- How can we thank them for this marvelous gift? Maybe you know, maybe you don't. Here I'd like to tell you children that you are the future of tomorrow. The wisdom of the wise and the experience of the ages come like the future is the past returning from another gate. This gate is kept open for you to search and think how to preserve this freedom. The beauty that captures our attention is our country's young generation who are extremely intelligent, innovative and have a thirst for unlimited knowledge so learn, understand and contemplate over our country's strength. Be honest and love your motherland. Work hard in whatever you do. Become the builders of the country. Walk beyond the ordinary for you have the capacity to touch the bright blue sky and make India twinkling with stars of progress, success with our collectivity, unity and togetherness. Make it dear children your responsibility and your virtue of living to create a stunning peaceful and inspiring superb INDIA---- a country worth living, loving and laudable.

BE PROUD TO BE AN INDIAN--BE PROUD OF OUR RICH AND VARIED HERITAGE.

Strike your memory with these lines: Ask not what your country can do for you. Ask what you can do for your country.

## Principal's Message.

Deep in slumber  
Anation on its knee[s]  
Was jolted awake  
With our tryst with destiny.  
As maps and borders  
Take precedence today,  
As the world goes fibonacci  
In almost every sway.  
In great discord  
Let's bring harmony.  
With the true freedom spirit  
Be grateful to be  
Born free in this great country.

15<sup>th</sup> August, 2020 marks 73 years of freedom of one of the oldest civilizations of the world. On this occasion, we must honour the iconic freedom struggle and respectfully remember our valiant freedom warriors. It is also equally imperative to celebrate and revive our vibrant culture and rich heritage, which makes us who we are. In today's day and age of rapid globalisation, India is a significant part of the world map. We, as children of our motherland must strive to carve out our identity and not just be proud of our country, but also make her proud.

**HAPPY INDEPENDENCE DAY TO THE FUTURE OF OUR COUNTRY.[OUR STUDENTS]**

Vijaya Bagaddeo

The future and the strength of the Country depends upon its students... your perseverance, dedication and commitment to your life will determine the future of India. Let's raise your glasses to the future full of understanding, appreciation and gratitude. 15<sup>th</sup> August 2020 reminds us of the fight we must all put up against Coronavirus and make our country free from this virus.

Hope you can feel the pride of being a part of this glorious nation. Here is my warm patriotic wish to make this unique day truly memorable. Happy Independence day to everyone.

### Sister

-----A bond between brother and sister First of all, who is a sister? The one who cares about you loves you, helps you, fights with you, guides you, supports you but a sister is not just up to caring, loving, helping, fighting, guiding and supporting, but she is more than that, the one who feels her brother's sorrow as her own sorrow and brother's problem as her own problem. She is the one who never lets you cry, she is the one who wipes your tears, who enjoys your happiness more than you. The world's best bond is of the brother and sister. They have different fights which are the naughty, funny and amusing fights and are just up to 5-10 minutes. Elder sister sometimes scolds you. She scolds you for your happiness, your well being and success. Rather, a sister is one who celebrates your victory more than you, A sister always thinks about you first and then for herself. Thus, 'A sister is a gift to the heart, a friend to the spirit and a golden thread to the meaning of life'.

Ritesh S. Thosare, IX A

### Raksha Bandhan

Raksha Bandhan is the day of love and protection. Sisters tie Rakhi to their brother's wrist and pray to God for their well being while brothers pledge to protect their sisters from all the evils.

Blessed are all the sisters who have got their brothers through thick and thin. He is your shoulder to lean on. His love is unconditional. He can cheer you up when you are passing through your hard days. And he also shares the same adrenaline when you are in high spirits.

The bond of brother and sister is more like a love and hate relationship. Everything in this relation is confusing yet beautiful. The best thing about brother and sister relationship is that, if you want something from him, you just need to hint him and he will definitely do it for you.

Brothers are like street lights along the road, who are always ready to light up the darken ways, and always try to make life a bed of roses for their sisters. Even though brothers and sisters fight most of the time, they love each other.

Sakshi Sabu, IX-A

### Students Feedback

I really enjoyed the online classes. It's been really good experience for me. It is very convenient and comfortable too. The homework and assignment are keeping me busy in my free time. I would like to thank all my teachers who are taking so much efforts to not to stop our learning in this pandemic situation.

-Atharva A. Kadukar (8<sup>th</sup> A)

It is our pleasure that our school started online live classes so we can learn more about our syllabus. Now we are enjoying this new method of learning. We feel that our generation is really reached in modern age of education system. This system is new for us but it is made easy by our learned teachers. We give our thanks to Principal Ma'am, Vice Principal Sir and to all teachers.

### INDEPENDENCE DAY

As we all know we are celebrating the 73<sup>rd</sup> Independence day of our beloved India. Freedom is a gift. It is the gift of sacrifices, sleepless night's brutal tortures and struggles led by our fore Fathers. History is an open chapter. It tells us about the sacrifices of our fore Fathers for this land.

The freedom owes itself to the struggles of Babu Mahatma Gandhiji. He stood like a rock for the rights of people. He was imprisoned several times. He faced many hardships for freedom.

Our great leader Pandit Nehru never compromised the rights of people. He sacrifices each and everything and supported the cause of independence.

There are decades of sacrifices and struggles behind all at that. The land on which we breathe upon, is thanks to the struggles of our great men in the lead Gandhiji, Nehruji, Subhash Chandra and others.

- Let's Take Decision....
- To Value Our Nation....
- Won't Forget Those Sacrifices....
- Who Gave Us Freedom....
- Now its our Turn....
- To Have a Reformation....
