THE SCHOOL SPEAKS

The sun has withdrawn its rays, dark clouds hover above, the dust never rises and the earth cries. The roads to the school are silent and its huge gates stand lifeless.

We the embodiment of architectural brilliance stand dumb, heartbroken, eyes searching for the children to rush inside and filling us with great joy.

We miss you dear children , your screams, your laughter the perfect blend of happy hearts. O! Those wonderful days with the teachers shouting to be silent in a classroom full of bubbling students, the line of students in the corridor, the playground buzzing with the kids and the naughty ones hiding behind trees.

Why, O! Why Corona did you break our hearts,
Why did you enter to destroy.

We never ever experienced this bitter silence

You changed us all over as the clock ticked away.

The bells never rings, the gates never open but our hopes are still alive.

So dear Kids,

Be ready with masks and gloves,

Be ready to follow new rules.

Be ready to keep social distance,

Be ready to wash your hands clean.

Everything is but for your safety to keep you safe and free. We miss you and-----

AWAITING YOUR RETURN WITH OPEN ARMS.

Teacher_Speaks.

Being a teacher of Indo Public School, I am very much excited on launching of our "SCHOOL NEWSLETTER" as it will provide essential information about school activities to parents. Parents will get a chance to be a part of the day-to-day school life, even though they are not in the classroom which ultimately leads to improve student's success

Student Speaks.

I am very eager and filled with happiness by hearing that, our school came up with such an intellectual and creative idea of a newsletter. This is an informative and modernistic idea for us in the time of this pandemic. I really appreciate the steps taken by our school management and our teachers.
